Dear members of the NASMA Executive Committee,

It has been a great honor to have volunteered as NASMA Executive Secretary for three tenures and to have worked with other volunteers also dedicated to the promotion of the Saddle Mule and Donkeys. I have sincere optimism for the future of the Association and appreciation of the associates with whom I've worked.

Having said that and looking to the future, I feel it is time to submit my resignation as Executive Secretary officially June 1, 2017 or earlier should a replacement be appointed. I am more than happy to work with any new candidate who may be taking over my position in order to make this a smooth transition for all involved.

However, resignation of the positions I hold as Chair of the Rules Committee and Promotion Committee, member of the Judge's Committee and Board of Director for Zone 4 will take place immediately.

Best Wishes to NASMA, its officers and members and the animals to whom they are committed.

Sincerely,

*Sue King*
